

PUBLIC NOTICE
PUBLIC NOTICE ON PRELIMINARY DETERMINATION REGARDING
APPROVAL OF AN APPLICATION SUBMITTED UNDER THE
REGULATIONS FOR THE “PREVENTION OF SIGNIFICANT
DETERIORATION OF AIR QUALITY”

Jordan Lumber & Supply, Co., has applied to the North Carolina Department of Environmental Quality, Division of Air Quality (DAQ), Permitting Section, to make modifications to the facility located at 1959 Highway 109 South, Mt. Gilead, Montgomery County, North Carolina 27306. The proposed project includes but is not limited to, the conversion of Kiln 6 (K-6) from a batch steam kiln to a continuous steam kiln.

The proposed project is subject to review and processing under North Carolina Administrative Code, Title 15A, Subchapter 02D .0530, “Prevention of Significant Deterioration”. The facility is defined as a “major stationary source” for the discharge of significant quantities of volatile organic compounds (VOCs). The proposed project will result in a significant emission increase of 143.97 tons per year of VOCs.

The Jordan Lumber & Supply, Co., application has been reviewed by the DAQ, Major New Source Review Branch in Raleigh, North Carolina to determine compliance with the requirements of the North Carolina Environmental Management Commission air pollution regulations.

A preliminary review, including analysis of the impact of the facility emissions on local air quality, has led to the determination that the project can be approved, and the DAQ air permit issued, if certain permit conditions are met.

Montgomery County is classified as an attainment area. Compliance with all ambient air quality standards and the PSD increments is projected.

Persons wishing to submit written comments or request a public hearing regarding the Air Quality Permit are invited to do so. Requests for a public hearing must be in writing and include a statement supporting the need for such a hearing, an indication of your interest in the facility, and a summary of the information intended to be offered at such hearing.

Written comments or requests for a public hearing should be postmarked no later than March 15, 2019 and addressed to daq.publiccomments@ncdenr.gov (please type “Jordan Lumber.18A” in the subject line) or mail written comments to: NC DEQ Division of Air Quality 1641 Mail Service Center, Raleigh, NC 27699-1641.

All comments received or postmarked by this date will be considered in the final determination regarding the Air Quality Permit. A public hearing may be held if the Director of the DAQ determines that significant public interest exists or that the public interest will be served.

A copy of all data and the application submitted by Jordan Lumber & Supply, Co., and other material used by the DAQ in making this preliminary determination are available for public inspection during normal business hours at the following locations:
